- You must pay any office visit **copayment** and your part of the **copayment**.
- You must pay the full amount of any dental care services you get that is not a covered benefit.
- This plan also has limits for some **covered benefits**. For example, these could be visit limits. See later in this schedule of benefits for more information about limits.

Important note:

All **covered benefits** are subject to an office visit **copayment** and **copayment** unless otherwise noted in the schedule of benefits below.
