

## Care.com

### **Platform Statement:**

As a Truist teammate, you use the services provided by the Care.com Membership at your discretion. If you decide to use the services offered through the Care.com Membership, ensure you review Care.com's [Privacy Policy](#) and [Terms of Use](#), which describes, among other things:

- Care.com's limits on and releases of their liability;
- Care.com's background check process;
- Care.com's rules of conduct for use of the Care.com platform; **and**
- **your rights with respect to caregivers you may choose to hire through the Care.com Membership.**

**Truist is not responsible for the selection of any individual or entity rendering services made available through the Care.com Membership or your interactions with those individuals or entities.** After reviewing the Terms of Use, should you wish to use a caregiver through the Care.com Membership, visit Care.com's [Safety Center](#) and review Care.com's hiring recommendations, which include a process for you to conduct your own supplemental background check. Additionally, caregivers **are not** required to have insurance to be listed on Care.com.
